**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

Sonic provides very fast internet for very reasonable price. This company has very good customer service. All that is much better than any other internet providers in San Francisco: Comcast and AT&T. Any addition provider force competitors to improve service and lower price. I am very satisfy with Sonic service and hope that this company will be in business for a long time.

Regards,
